## URMSTON GRAMMAR PTA

Dear Parents and Carers,

As I am sure you know, many organisations operate 100 clubs as part of their fundraising activities. Provided sufficient support can be obtained the draw offers an opportunity to bring in an annual income while offering participants a chance to win money in regular draws.

Due to the current situation surrounding COVID we are unable to organise most of the usual fundraising events but this is one of the fundraising opportunities we can still go ahead with to raise much needed funds for the school. The money raised goes directly to the school to help subsidise school trips, purchase equipment and support the school in its day to day activities.

### How does the 500 club Work?

For just one payment of £12 (equivalent to £1 per monthly draw), you will be allocated a number. Provided there are 100 numbers allocated there will be a monthly draw of **£10** and **£15**; in addition, each term there will be a draw for **£100**. The amounts of the monthly and termly draws vary depending on the numbers sold. Obtaining 100 participants we can achieve an income of £600 per year for the school – prizes of £600 are spread over the year.

### What Do I Do?

If you want the chance to win, please pay £12 via ParentPay. Your number will then be confirmed by email. After each draw we will email all members to confirm the winning numbers. Cheques will then be sent to the winners.

The first draw will take place in October 2020 and all numbers will be entered for both September and October draws.

Please do not hesitate to contact me if you have any questions.

Thank you all for your continued support.
