RE: Year 13 Final Assessment Timetable and Revision Lists

Dear Year 13 Parents and Carers,

I am writing to provide you with some further information regarding the upcoming assessments taking place after Easter.

Please follow the link [here](#) to access a comprehensive revision list for each subject. Though students are likely to have received this information already from their teachers, making revision lists available to parents in a clear and accessible format will help ensure all students can thoroughly prepare for the upcoming assessments and nobody misses out on important information.

All students should have already received their timetable for the 'In Class' assessments taking place the week beginning Monday 19th April. The 'Final Assessment' timetable for your son/daughter is attached to this letter. Though we are very optimistic our series of assessments will take place as planned, the ongoing COVID-19 pandemic means there is potential for some disruption. We have numerous contingency plans in place, though cannot rule out delaying some assessments for the whole cohort should this become necessary. We will confirm in due course the date of the final day students are expected in school, however all students must continue to be available to come into school up until **Friday 11th June** should any assessments need to be postponed.

We will continue to keep you updated as needed after the Easter break. Many thanks for your continued support

Yours faithfully,

Mr T Kennedy-Fowler
Deputy Headteacher
