Dear Parents/ Guardians,

Your son/daughter has been identified as someone who we feel would benefit from extra support with their GCSE Mathematics. We can offer them a programme of development and intervention, designed to support their learning and understanding.

We have arranged for a private tutor to come into Urmston Grammar School to tutor some of our GCSE cohort. These sessions will be 25 minutes long **every Wednesday at 1:15pm in M1**. These sessions will start after next week on Wednesday 18th September.

If there are any issues with this time slot, students must speak to Mrs Crouch so that this can be looked into. Attendance at these sessions will be recorded and monitored.

We believe it is important that we are proactive in offering students as much support as possible so we would appreciate your help in encouraging your son/daughter to engage with this package of support and intervention. The earlier in the school year this happens the better.

Kind Regards,

Mrs C Crouch

Key Stage 4 Coordinator
