Dear Parent/Carer,

RE: Year 11 Maths Clinic

We are emailing you to inform you of the support we are offering Year 11 students in preparation for their Mathematics GCSE in the summer.

The maths department will be running a weekly maths clinic every Thursday lunchtime from 13:15-13:45 in M3. All Year 11 students are invited to attend. These sessions will support students' revision as they complete questions from a variety of different topics and will have the opportunity to ask any questions they have. You can find the topic that each maths clinic will be focusing on below.

We believe it is important that we are proactive in offering students as much support as possible so we would appreciate your help in encouraging your son/daughter to attend these lunchtime sessions. The earlier in the school year this happens, the better.

We appreciate your support with this.

Yours sincerely,

Mrs C Crouch  
KS4 Coordinator
