## **RE: Parents & Carers Events – 2024/25**

Dear Parents & Carers,

We are writing to provide an overview of all the different events taking place this year where Parents and Carers will be invited into school. In our Parent/Carer survey completed during the summer term we asked for feedback on the preferred format for Parents & Carers Evenings. The majority of responses indicated a preference for these being face to face in school rather than virtually on screen. As such, though we will still use SchoolCloud as our platform to book appointments, all Parent & Carer Evenings will now take place in school in person.

A summary of events per Year Group is as follows:
