

Would **YOU** be burnt as a witch?

A brief history of the advancements of medical science.

By Mrs Hulme

Mrs Hulme will explore the advancements in medical science by time travelling through the history of human biology. It will then be up to you to decide what the consequences would be in each period of time.

Our community lecture series has been designed to provide a super-curricular opportunity for students, particularly those in the 6th form, to experience university level teaching with an expert in their field.

- Thursday 28th November 5pm – 6pm
- Urmston Grammar Theatre
- Q & A after the lecture
- Everyone is welcome
