AMAZING APPRENTICESHIPS PARENT & CARER ZONE

Includes access to (and much more!):

- **A-Z of Apprenticeship Standards** (to help your child explore the different routes and apprenticeship standards that are available – links to the Institute for Apprenticeships website).
- **Rapid Reads** (inspirational and informative resources, helping to explain apprenticeships).
- **Apprenticeship Films & Webinars** (to learn more about apprenticeships and employers).
- **Higher & Degree Apprenticeship Vacancy Listing January 2025** (a bi-annual publication – explore 2,400 higher and degree apprenticeship vacancies from over 80 employers, including locations, salary information and direct application links).
- **Your Step-by-Step Guide to Applying for an Apprenticeship** (a guide to help your child prepare for the application process and be ready to show employers that they are the right person for the role they want).
- **Guidance for Parents & Carers** (a guide to help you explore apprenticeships with your child, to understand the range of resources and support services available to them, and how to access them).
- **Monthly Choices Magazine** (features information and resources to help you support and guide your child with apprenticeship and technical education decisions – you can subscribe to receive future editions).
- **The Parent Perspective Podcast** (a podcast series, hosted by BBC Broadcaster Rachel Burden, helping you to support your child with careers advice and guidance).
