## **RE: Urmston School Street and 'Park & Stride' Schemes**

Dear Parents and Carers,

Many of you will already be aware of the Urmston School Street scheme which limits road traffic on Newton Road, Hereford Grove and Wycliffe Road at peak times before and after the school day. This scheme helps improve road safety for students on the way to and from school, encourage more students to walk or cycle, and improve air quality.

While the School Street has been successful to date, we recognise that it is still necessary for some students to travel to school by car. To help further reduce traffic around school, Trafford Council has agreed to provide free parking for parents and carers at Golden Hill Car Park at the agreed drop-off and pick-up times shown below.

The car park can be accessed via Park Road North, post code M41 5AT. It is a five minute walk from Golden Hill to school and it will be free to use for parents and carers between 8.15-9.15am and 3.00-3.45pm during term time. We encourage any parents and carers who need to drive to use this free Park and Stride option rather than parking on Flixton Road, Moorside Road or surrounding side streets, which can block pavements, cause danger to pedestrians and can make access to and from properties difficult for residents. It may also be easier for parents and carers to pre-arrange to use this as a regular drop-off/pick-up spot.

With over 1100 students attending Urmston Grammar there will inevitably be heavy traffic around school at the start and end of the school day. I am hopeful you will choose to support these traffic calming measures for the benefit of our students as well local residents.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'T Kennedy-Fowler'.

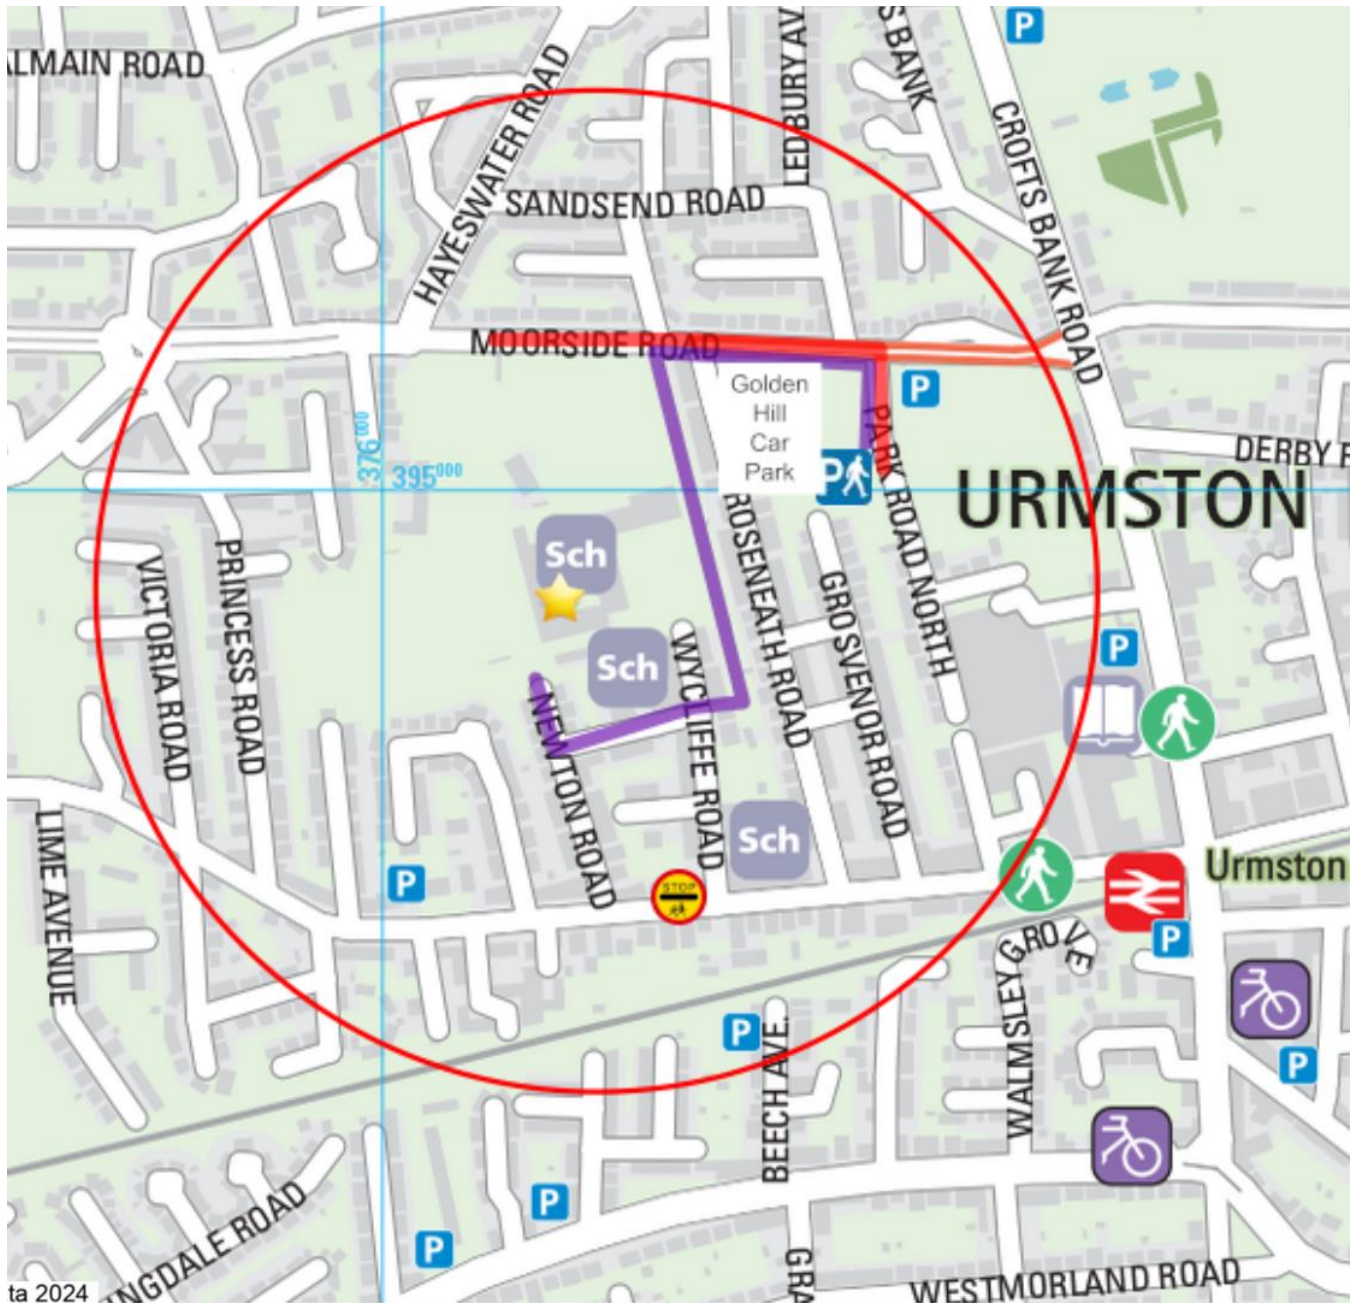

Mr T Kennedy-Fowler  
Co-Headteacher  
Urmston Grammar School
