

Post-16 Technical Education Routes Webinar

This webinar will highlight the options available to school leavers focusing on study programmes, apprenticeships and T Levels.

Wednesday 9th July 2025

6.30PM-7.30PM

Microsoft Teams

The Greater Manchester Festival of Technical Education takes place in June and July. As part of the celebrations, the GMLPN, in partnership with The Growth Company and the Trafford and Stockport College Group, is delivering a post-16 information webinar for parents and teachers.

The webinar will highlight what options are available to school leavers focussing on **apprenticeships and study programmes** delivered by Independent Training Providers (ITPs). The Growth Company are one of the 200+ independent training providers delivering to learners across Greater Manchester.

The session will also provide an insight into **T Levels** delivered by the Trafford and Stockport College Group. They are one of nine FE Colleges in Greater Manchester and will emphasise the difference between ITPs and colleges and outline the progression routes available from T Levels.

We are delighted to announce that we will be joined by an **apprentice** who will share their apprenticeship journey and explain how it has benefitted their career.

The event will take place online on **Wednesday 9th July at 18.30 – 19.30.**
