

Urmston Grammar School

Dear Parents and Carers,

We warmly welcome your child to Mathematics at Urmston Grammar School Sixth Form. To ensure success, we expect students to maintain organised folders for their work which are brought in from home. Additionally, each student should come prepared for every lesson with all necessary equipment, including an A-level calculator, which can be purchased on ParentPay. Exercise books and unit-specific booklets will be provided by their class teachers.

We encourage students to actively participate in every lesson and complete all assigned homework. Additionally, students should engage in at least 5 hours of independent study each week.

Below is a list of recommended Maths websites to support this independent learning and reinforce classroom lessons.

1. Active Learn – <https://www.pearsonactivelearn.com/app/home>

Active learns allows all students to have access to Pearson online text books, this allows pupils to log onto all the A-Level text books via a variety of electronic devices including mobile phones, laptops and iPads.

2. UpLearn - <https://uplearn.co.uk/>

UpLearn provides everything a student needs to achieve an A*/A in their A-Levels. Students will shortly receive information on how to access this website and how they are expected to use it.

3. Dr Frost Maths - <https://www.dr frostmaths.com/>

All students have a log in to this website. Students can watch short tutorials, complete questions and get instant feedback. They can find the Dr Frost numbers correlating to each topic on their GCSE Overview sheet which is at the front of their book.

4. Maths Genie - <https://www.mathsgenie.co.uk/papers.html>

Students should use this website to complete past papers. They can mark these using the video or written solutions provide.

5. Physics and Maths Tutor - <https://www.physicsandmathstutor.com/maths-revision/gcse-questions-edexcel/>

Here, students can find worksheets organising by topic or by grade. There are written solutions so that students can mark their answers.

6. YouTube – Bicen Maths - <https://www.youtube.com/c/BicenMaths>

Students can watch a variety of video's where Mr Bicen will talk you through understanding a variety of different topics and exam papers including technique.

7. A-Level Maths Edexcel Practice Papers - these can be purchased from Parent Pay

8. CPG – complete revision and exam practise A-Level maths bundle; Edexcel Year 1 and 2 - this can be purchased from Parent Pay

We appreciate your ongoing support.

Yours sincerely,
Mrs G Kelly
