

Urmston Grammar School

Dear Parents/Carers,

We are writing to inform you about the upcoming **Mathematics Assessments** which are part of the Y11 assessment week commencing 17th November. Students have been provided with a revision list on Satchel One.

Here are the details of the upcoming assessments:

- **Mathematics Non-Calculator Assessment (1hr 30)**
- **Mathematics Calculator Assessment (1hr 30)**

To assist students with their revision, we recommend the following websites and YouTube channels to support their studies:

- Dr Frost Maths
- Corbett Maths
- Physics and Maths Tutor
- MathsGenie

Revision lessons will be being provided where students will receive relevant revision materials to aid their preparation.

For extra support, we also run a **Maths Clinic** every Thursday during lunchtime from 1:15 pm to 1:45 pm in M3. This is a great opportunity for Year 11 mathematicians to ask questions and receive help with any challenging topics.

Thank you for your continued support.

Kind Regards,
Mrs C Crouch
