Mechanisms to Drive Science Forward

By Mrs Hulme

In science we only remember those who get there first, but is that always the best way to do it? Could working together work better? A brief view on the changing aspects of science and research.

Thursday 15th January
5pm - 6pm
Urmston Grammar Theatre
Everyone is welcome

Our community lecture series has been designed to provide a super-curricular opportunity for students, particularly those in the 6th form, to experience university level teaching with an expert in their field.
