

Urmston Grammar School

Dear Year 11 Parents and Carers,

I hope you and your family had a restful break. It's wonderful to see our Year 11 students back at Urmston Grammar School as we begin this important stage of their secondary education.

We recognise this has been an especially busy week, with the return to lessons after the Christmas break, Year 11 parents evening, Post-16 destination meetings and the launch of our new Year 11 Success Assemblies, where students are provided with weekly generic / subject specific tasks to help support their revision outside of school.

Thank you to everyone who attended the parents evening, and we hope you found the individual subject feedback from teachers constructive, so students have a clear action plan of what they can do to achieve their potential. It was great to see so many parents come along to our parent briefing and the slides to this session can be found on our website using this [link](#). The session covered lots of guidance on how students can improve their study habits, alongside a copy of the additional academic support sessions happening at lunch and after school; as well as the February Year 11 Mock timetable.

Thank you for your continued partnership. Together, I am sure we can ensure that every Year 11 student has the support they need to reach their full potential this year.

Yours Sincerely,

Mr Regan
Deputy Headteacher
