

Urmston Grammar School

25th February 2026

Dear parent/carer,

The school and I, as the Careers Adviser, will be supporting students in Year 8, particularly during the Spring Term and throughout their time at Urmston Grammar School, and I hope the following information is useful to you regarding their future plans.

On Friday 27th February students will begin their Careers lessons as part of PSE. For information on the Careers provision for Year 8 students, please view the attached document **Year 8 Careers Spring Term 2 Schedule 2025-26**. Further information can be found within the Careers section on the school website.

All students in Years 7-13 have access to Unifrog. Year 8 students will be able to explore this careers software further during their Careers lessons.

Urmston Grammar School are committed to ensuring that all students are informed about their future pathways and career options. We also hope that you are finding the weekly Careers Newsletters informative and useful, and that they help you support your child.

Please do contact me at any point if you would like to discuss your child's future plans.

Yours faithfully,

Amy Marshall
CEIAG Co-ordinator (Careers Adviser & Careers Co-ordinator)
