RE: Urmston Grammar – Parent & Carer Survey Launch

Dear Parents & Carers,

I wrote to you last week explaining that this year Urmston Grammar is working with [Edurio](#), a leading provider of education surveys, to support our school to gain quality stakeholder feedback from students, parents, carers and staff.

I am pleased to confirm the launch of our **Parent & Carer Survey 2026**. Please use the link below to share your views and provide feedback to support our school improvement journey.

[**COMPLETE SURVEY HERE**](#)

The survey should take approximately 15 minutes to complete will remain open until **Friday 27th March**. A response rate of 70% or above will help ensure the feedback received is statistically significant and based on a broad representation of our Parent and Carer community. A summary of the findings will be shared with you later in the summer term.

All surveys are completely anonymous and confidential, though the responses will be aggregated for the purpose of analysis. You can read more about how your responses will be used [here](#), and Edurio's terms and conditions are available [here](#).

Many thanks for your ongoing support.

Yours sincerely

Mr T Kennedy-Fowler
Headteacher
