

Urmston Grammar School

Dear Parent / Carers,

I am writing to express how immensely proud we are of our Year 11 students following the conclusion of their recent mock examination week. The maturity, focus and dedication they have shown in their preparation leading up to the exams and all throughout the exams themselves has been exemplary. The students have been a real credit to the school and to you as families. Thank you for your support during this time, as we appreciate how this week can be stressful for our students and their families.

The Year 11 mock exam series is an important milestone in the lead up to their summer GCSE exams, since it is the last time, they will be able to experience how the exams will work in the summer. We hope it has given the students a valuable sense of what to expect in the summer examination series. Over the coming weeks, students will be receiving detailed feedback from their class teachers. We cannot stress enough how important it is that students engage with this feedback carefully and act upon the areas identified for improvement. This will be a key focus within lessons, and we ask that you encourage your child to approach this process with the same commitment they have shown during the mocks themselves.

In addition to classroom support, we have several intervention and revision sessions that are continuing to run in the lead up to the GCSE summer exams. With the summer GCSE exams fast approaching and there is not many school days left in Year 11 before we start the exams, we strongly encourage all students to attend these sessions regularly. Every lesson and every session counts at this stage.

[Y11 Urmston Grammar School - Study Sessions](#)

Yours sincerely,
