Subject: Easter Egg Collection for Children in Hospital

Dear Parents/Carers,

I hope this letter finds you well.

We are pleased to announce that the School Council is organising an Easter egg collection for the children at Wythenshawe Hospital Starlight Children's Ward. This is a wonderful opportunity to uplift the spirits of these young patients during their hospital stay.

The collection date is **Friday 27th March**. Eggs can be dropped off in the main hall and placed on the stage before registration.

Your contributions are greatly appreciated.

Warm regards,

Mrs C Crouch

Head of Student Development
