THURS. 8th Oct. = Y / N?

THURS. 15th Oct. = Y / N?

THURS. 22nd Oct. = Y / N?

Please bear in mind The Snow Centre (previously called the Chill Factor) requires…

*'All members must be able to **link turns**, **control speed** and direction, **stop safely**, adapt to variable piste conditions and use the POMA lift without assistance. Participants will not attempt techniques above their skill level and will use any available equipment safely and in line with their own ability and understand that Skiing and Snowboarding are extreme Snowsports and that there is a risk when taking part in the activity.'*

If in their opinion, pupils do not meet this requirement, pupils can be asked to leave the slope for their own safety. If your son or daughter is a complete beginner, I recommend booking a beginner's course directly with the Snow Centre first and then join this club after Oct. half term. Our lift passes are valid from ***5pm until 6pm***, but we can generally get on earlier, and I am there soon after 4pm. Pupils will need to be escorted to and from The Snow Centres. If you arrive after 5pm, I will be on the main slope with pupils, and your son or daughter should join us there, where I can pass on their lift pass. Helmets, skis, snowboards, and boots are provided, but pupils will require their own appropriate ***waterproof clothing*** and ***gloves***.

UGS must book and pay The Snow Centre in advance, and they do not refund the school for any changes or cancellations. Therefore, bookings will have to *close on Mon. 14th Sept*. If you miss this deadline, you can of course book for the next half term following the Oct. holiday. If interested, please copy and paste the above dates in an email back to me.

Regards,
Mr Patel
