THE DOC TOUR: INSIGHTS INTO MEDICINE

BY DR SAM DEMPSEY

Join Dr Sam Dempsey for an interactive exploration into life in medicine, including a walk-through of how doctors approach clinical problems and apply the underlying science to the patients in front of them. He'll also share what it is like to be a resident doctor in the NHS and give his advice to the aspiring medics in the audience.

When: Thursday 1st October at 5pm
Where: Urmston Grammar Theatre
Everyone is welcome to join us
