Dear Parents & Carers,

We would like to invite you to attend our Year 8 'Learning to Learn' evening from 6.00 to 7.00 pm on Tuesday 13th October 2026.

As your child moves up through the school, it will become increasingly important that they understand the principles of effective and efficient revision and independent study, to help them achieve the best that they can whilst still maintaining a healthy school-life balance. The purpose of this evening is to help support your understanding of what this looks like, so that you can in turn support your son/daughter more confidently when they are working at home. We will explore how students learn and provide concrete practical strategies that your child can use over the coming years.

Students are also welcome to attend this event, but this is not compulsory. The talk will be held in the theatre – please enter through the theatre entrance from 5.45 onwards for a prompt start at 6.00 pm.

We look forward to seeing you there.

Yours sincerely,

Miss D Lowe
