Dear Parent/Carer,

Curriculum Enrichment at Urmston Grammar

At Urmston Grammar we strive for academic excellence, however it is important that all students remember that they are more than the sum of their grades. We encourage all students to live our school values of 'Pride, Participation and Empathy'. We encourage each student to become active participators and take advantage of the many opportunities that are available.

I am delighted to tell you about the wealth of activities that are on offer at lunchtimes and after school. From Chess to Cheerleading, Debating to Dance, Reading to Russian; there are sports clubs, music groups, STEM clubs, curriculum support classes and so much more. The activities currently on offer to students child are publicised on the school website [Extra-Curricular Activities](#) and around school.

Getting involved in the wide variety of extra-curricular activities enables each individual to develop important skills such as team work, communication and leadership Our extra-curricular programme plays a huge part in fostering a sense of community between forms, year groups, houses and across the school as a whole. They are also a great way to pursue specific interests, make new friends and have fun along the way.

We are extremely grateful to the members of staff who share their precious time to enhance your child's experience at Urmston Grammar. I am delighted that some of our sixth form students also lead some of the activities and clubs for their peers and for younger students.

Please encourage your son or daughter to take up at least one or two extra activities. They can go along to see what an activity is like, before committing themselves to attending regularly.

Yours faithfully,

Mrs R S Wall, Headteacher
