Dear Parents/ Guardians,

After the recent summer exams your son/daughter was identified as someone who we felt would benefit from re-sitting their A-Level Mathematic exams. These exams took place on the 2nd, 3rd or 5th of September. Your son/daughter completed the re-sit exam so we are just writing to you to ask for your continued support in helping them make progress.

The year 2 content poses a significant increase in terms of difficulty so any support and encouragement you can offer at home will be of great benefit to them. We will, of course, continue to support all our students in any way we can.

Below is a list of further resources we have compiled to support our students

- Teaching unit, pre and post assessments, revision and past papers. These can be found by going to <https://urmstongrammar.sharepoint.com/sites/UGMathsStudentSharedDrive>
- More past papers can be found on various websites (Maths Genie, Exam Solutions.net, Maths Physics tutor, Dr Frost Maths, Alevelmathsrevision.com, Jethwa Maths)
- Exam style practice papers are also available in the 'Active Learn' online textbook.
- CPG – complete revision and exam practise A-Level maths bundle; Edexcel Year 1 and 2, this can be purchased from Parent Pay
- A-Level Maths Edexcel Practice Papers, this can be purchased from Parent Pay

Thank you for your support.

Yours faithfully,

Miss Cookson
