11<sup>th</sup> January 2022

Dear Parent / Carer,

Please find attached to this email the revision timetable for Year 11 in coming months detailing the revision classes that are either currently running or about to commence to help prepare students for their forthcoming GCSE exams. Please remind your child to attend as many as possible in the appropriate subjects. In some cases they may well be asked to attend by their teacher.

In addition to this we would expect Year 11 students to be completing about 2 hours of revision in the evenings and they should by now be doing some work over and above that which is set by their teacher. We would also expect pupils to be revising for a number of hours over the course of the weekend in order to best prepare for the summer examinations. At least four hours would be very helpful at this stage and would be a positive statement of intent.

Pupils are already aware of the value of organisation and planning when it comes to revision and we will be working with them in school looking at creating revision schedules and looking again at revision techniques. What remains crucially important however is the support and encouragement of parents. This is a challenging time for youngsters as they approach their GCSE examinations and your support, patience and guidance will play an important role in helping them to prepare effectively.

Thank you for your support,

Miss J Smith  
Head of Year 11
