Dear Parents/Guardians,

Throughout the first term of Year 13, Maths clinics have been available to all pupils to help to continue to develop their exam technique in the subject.

Following the recent December assessments, your child has been identified as someone who we believe would benefit from some additional support in the subject.

Over the next two weeks, we are going to be monitoring your son/daughter's attendance at these lunchtime Maths clinic sessions. During these sessions they will be doing corrections of their December papers, in addition to other consolidation work, in preparation for a short retest on Tuesday 1st February.

The first session will be on Tuesday 18th January in M2. Please could you encourage them to attend at the start of lunch for a 30-minute session.

We thank you in advance for your encouragement and ongoing support.

Kind regards,

Mr D Penney
Head of Mathematics

Miss G Cookson
Key Stage 5 Coordinator

Mr C Tabor
Lead Teacher for Intervention in Mathematics
