Dear Parent/Carer

Following on from the popularity of the careers talks delivered to students last term, we will be continuing to offer presentations throughout the Spring term to students in Year 9 upwards.

These talks are delivered by individuals who are currently working in these professions and, as such, provide an excellent opportunity for students to hear about the realities of these jobs and routes into the profession. Research shows that there is a relationship between the number of encounters students have with employers whilst at school and their confidence in progressing towards careers goals. Please therefore encourage your son/daughter to sign up for any of these talks that they may be interested in. Students should check their emails on the week of each talk for details on how to sign up.

We are always extremely grateful for any support parents can provide in relation to our Careers Programme. At the moment we would particularly appreciate any support with regards to work experience placements for our Year 10 and Year 12 students in July. If you or the organisation you work for are able to offer a placement (face to face or virtual), please do get in contact with me at [nkinder@urmstongrammar.org.uk](mailto:nkinder@urmstongrammar.org.uk).

Yours faithfully

Mrs N Kinder
