Dear Parents/ Guardians,

As a result of the recent January exam your son/daughter has been identified as someone who we feel would benefit from extra support with the A-Level Mathematics course.

As a department, we are lucky enough to be able to put on an additional lesson once every 2 weeks which takes place every Monday, week B, period 4. We have asked your son/daughter to attend these lessons with Mrs Smith until further notice. This will be added to their timetable and attendance will be monitored.

We feel it is important that we offer students as much support as they need so that they can improve in future exams. As Always, we appreciate your help in encouraging your son/daughter to engage with this package of support and intervention.

Yours faithfully,

Mr D Penney
Head of Mathematics

Miss G Cookson
Key Stage 5 Coordinator

Mrs Smith
Teacher of Mathematics
