Dear Parent/Carer,

As we approach the end of the academic year, we are going to be doing a lot of work towards consolidating the topics we have covered in Maths. This is a vital part of the learning process and a great way for us to ensure our students are prepared for the following academic year and the challenges they will face in Maths.

We currently have some excellent practice/revision books available on Parent Pay which would really help your son/daughter to cement their understanding of the topics we have covered. If you are interested in this resource, now would be a good time to place an order.

There are four books available:

Y7 - Maths Progress Purposeful Practice Book 1 Second Edition 978-1292279992 - £3.30

Y8 - Maths Progress Purposeful Practice Book 2 Second Edition 978-1292279985 - £3.30

Y9 - Maths Progress Purposeful Practice Book 3 Second Edition 978-1292279978 - £3.30

GCSE Higher - Pearson Edexcel GCSE (9-1) Mathematics: Purposeful Practice Book - Higher 978-1292273709 £5.35.

Orders can be placed on Parent Pay. We can offer these books at a discounted price, so each book is only £3.30 for Years 7 to 9 and £5.35 for Year 10.

Yours faithfully,

Mr D Penney
