Dear Parents/Guardians,

RE: Year 10 History Extension Trip

As part of the History of Medicine unit of the GCSE history course I would like to take all three history classes to the Thackray Medical Museum in Leeds on May 26th 2022. A visit to the museum's galleries will complement what the students have been learning in class. I have also booked a workshop on medicine in the trenches which is our historic environment unit.

We will leave school at 8.15am and return for around 3.30. The cost of the trip is £20. Students should wear normal school uniform on the trip and bring their pencil case, a packed lunch and a small amount of money if they would like to visit the museum shop. They can wear trainers if they wish.

Please log on to parent pay to make payment for the trip and give permission for your son/daughter to attend. Please do contact me if you have an issue with making this payment. I also realise that this trip is taking place at the same time as the geography field trip. Obviously, students who do both history and geography will need to attend the geography field trip and can access the resources from the history trip when they return. Unfortunately, this date was the best day available for the history trip.

Many thanks for your continued support.

Yours Faithfully,

Dr M McPartland
