Dear Parents/Carers

## **Additional Revision Classes for Year 11**

As you will be aware from the letter in your parents evening email, many revision classes have been running for some time and further sessions are about to commence. In addition to these several subjects are offering revision sessions during the Easter holidays and the timetable of events can be found on the attached document.

I also wanted to remind you that the INSET day, Monday 25<sup>th</sup> April 2022, will be a Maths and English Booster Day; It is expected that all Year 11 will be available to attend this day. Details of this day will be sent out to you from the Maths and English departments.

I have been most impressed by the number of pupils who have already attended a wide range of revision sessions and hope that they continue to take advantage of this in the coming weeks and months. I would like to take this opportunity to thank you for your on-going support for your child and the school and wish all our pupils every success in their GCSE examinations.

Yours faithfully

J Smith  
Head of Year 11
