Dear Parents/Guardians,

Following the recent assessments, your child has been identified as someone who we believe would benefit from some additional support in Mathematics.

Your son/daughter has been selected to attend small group intervention sessions, as a way of supporting their progress in GCSE Mathematics.

These small group intervention sessions will run **every Thursday lunch time in M1**. The first session will be on Thursday 28th April.

Please could you encourage them to attend at the start of lunch for a 30-minute session.

There is also another session every Thursday lunchtime in M2. This is open to the whole year group and during this session they can seek help with their revision and work on exam-style questions.

We would encourage your child to attend one of the support sessions on offer every Thursday.

We thank you in advance for your encouragement and ongoing support.

Kind regards,

Mr D Penney
Head of Mathematics

Mr C Tabor
Lead Teacher for Intervention in Mathematics
