Dear Parents/Guardians,

We are writing to you to make you aware of two opportunities available to your child as a way of supporting them in their progress in GCSE Mathematics.

Your son/daughter has been selected to attend small group intervention sessions, as a way of supporting their progress in GCSE Mathematics.

These small group intervention sessions will run **every Tuesday lunch time in M1**. The next session will be on Tuesday 26<sup>th</sup> April.

Please could you encourage them to attend at the start of lunch for a 30-minute session.

There is also another session every Thursday lunchtime in M2 and M3. This is open to the whole year group and during this session they can seek help with their revision and work on exam-style questions.

We thank you in advance for your encouragement and ongoing support.

Kind regards,

Mr D Penney  
Head of Mathematics

Mr C Tabor  
Lead Teacher for Intervention in Mathematics

Specialist Schools and Academies Trust  
EXCELLENCE AND DIVERSITY

Principal: Mrs R S Wall
