Advice for excursions and visits

We assess that your visits are either inherently safe or with risk within a reasonably normal and known range. Where providers of specialist services or activities are used, we assess their competence.

Where there is inherent danger, unusual or risk outside normal experience we will tell you. Our School Travel Forum assured membership status is independent evidence that these requirements are met.

If for any reason, you are unable to attend a pre-booked visit, please advise us (prior to your tour departure) or the visit centre directly (whilst on tour) as in many cases full payment may be passed on to your group for a no-show.

Should you anticipate a late arrival, please advise the visit centre directly to avoid the possible non-provision of your planned visit. This is particularly important for guided visits where the guide may have other scheduled commitments.

We strongly recommend that you refer to your own employer's guidelines for water-based activities.

IMPORTANT

Any visits that have not been organised by us and are outside the contractual arrangements: group leaders should satisfy themselves about the suitability of the visit and the health and safety arrangements in place.

Day 1: Wednesday, 15 June 2022
