Dear Parents/ Guardians,

We are the newly formed Green Scheme and our initiative is to spread more environmental awareness and implement more climate friendly changes throughout school.

As our first fund raiser, we are hosting a Fun Run. We will be asking students to complete a selection of sponsored runs over a week period beginning the 3rd of June, these can be tracked using running apps. Then on Friday 10th of June we will hold a fun run at school where the students will run as many laps on the field as they can over lunchtime.

House points will be awarded to students who participate and there will be prizes for those who cover the largest distance.

For this event any sponsorship money that students collect can be paid via ParentPay. The sponsorship money will be going towards our main goal: acquiring solar panels for the school.

Yours faithfully,

Members of the Green Scheme
