

Dear Parent/Carer,

RE: Year 11 Maths Clinic

We are emailing you to inform you of the support we are offering Year 11 students in preparation for their Mathematics GCSE in the summer.

The maths department will be running a weekly maths clinic every Thursday lunchtime from 13:15-13:45 in M1/M3. All Year 11 students are invited to attend. These sessions will support students revision as they complete questions from a variety of different topics and will have the opportunity to ask any questions they have. You can find the topic that each maths clinic will be focusing on below.

We appreciate your support with this.

Yours sincerely,

Miss C Murray  
KS4 Coordinator

Date	Topic
08/09/2022	Factorising
15/09/2022	Solving Linear Equations
22/09/2022	Indices
29/09/2022	Pythagoras
06/10/2022	Surds
