Dear Parent/Carer,

RE: Maths Expectations and Resources

Please find in this letter a list of recommended Maths websites that offers students the opportunity to complete additional maths work each week, to build on work done in the classroom.

1. **Active Learn** – <https://www.pearsonactivelearn.com/app/home>

Active learns allows all students to have access to Pearson online text books, this allows pupils to log onto all the A-Level text books via a variety of electronic devices including mobile phones, laptops and iPads.

2. **UpLearn** - <https://uplearn.co.uk/>

UpLearn provides everything a student needs to achieve an A*/A in their A-Levels. Students will shortly receive information on how to access this website and how they are expected to use it.

3. **Dr Frost Maths** - <https://www.dr frostmaths.com/>

All students have a log in to this website. Students can watch short tutorials, complete questions and get instant feedback. They can find the Dr Frost numbers correlating to each topic on their GCSE Overview sheet which is at the front of their book.

4. **Maths Genie** - <https://www.mathsgenie.co.uk/papers.html>

Students should use this website to complete past papers. They can mark these using the video or written solutions provide.

5. **Physics and Maths Tutor** - <https://www.physicsandmathstutor.com/maths-revision/gcse-questions-edexcel/>

Here, students can find worksheets organising by topic or by grade. There are written solutions so that students can mark their answers.

6. **YouTube – Bicen Maths** - <https://www.youtube.com/c/BicenMaths>

Students can watch a variety of video's where Mr Bicen will talk you through understanding a variety of different topics and exam papers including technique.

7. **A-Level Maths Edexcel Practice Papers** - these can be purchased from Parent Pay
8. **CPG – complete revision and exam practise A-Level maths bundle; Edexcel Year 1 and 2** - this can be purchased from Parent Pay

Urmston Grammar School - Headteacher: Mrs R S Wall
pride, participation, empathy

In addition to the homework set by class teachers, we expect all students to utilize the following resources, completing independent work for a minimum of 5 hours each week.

We appreciate your support with this.

Yours sincerely,
Miss G Cookson
