RE: Parents & Carers Evening Arrangements – 2023/24

Dear Parents & Carers,

I am writing to inform you of the arrangements for our Parents & Carers Evenings for this academic year. There is added efficiency and convenience in conducting such events online, however we are very aware that Parents and Carers are important members of our school community and coming into school to meet with teachers face to face helps to foster relationships and keep connected to the school. For this reason we are taking a blended approach, meaning that though some Parents & Carers Evening will take place virtually, there will still be opportunities to visit school in person.
