11 October 2023

Dear Parents and Carers of Year 7 student,

We are delighted to offer an opportunity for your child to take part in the Tree Planting Day here at school on Wednesday 22 November 2023.

The aim of the day is to give students the opportunity to improve their environment and increase the wildlife diversity in the school grounds.

Waterproof clothing, footwear and tools will be provided. The Woodland Trust are supplying the saplings.

Students will be allocated a one-hour time slot during the day to plant the tree in small groups, the rest of the day will be their normal school timetable. An email with their time allocation and further instructions will be sent to individual students and reminders will be read in form. Please ask your child to check emails and listen carefully in form. Please remind your child to bring equipment for the rest of day.

If torrential rain is forecast, then we will rearrange for the next day with better weather, but the time allocation will remain the same and students will be notified of changes.

Places are limited and are allocated on a first come first served basis.

If you would like your child to take part in the Tree Planting Day, then please complete the permission slip below and return to the Main Prep room (between S7 and S8) by Friday 10 November 2023.

Yours faithfully,

Mrs B. Motiwala

Please complete and return to the Main Prep Room by Friday 10 November 2023.

I give permission for my child **Name** _____ **Form** _____
to attend the Tree Planting Day Wednesday 22 November 2023 at Urmston Grammar
