Reminder: Start of Your Child's Math Tutor Sessions This Week

Dear Parents/Carers,

I hope this message finds you well. I wanted to remind you that your child's math tutor sessions are starting this week. Each student has received an email today containing a reminder of their designated day and time for the sessions. These tutoring sessions will take place every week in M1.

Your support in ensuring your child attends these sessions is greatly appreciated.

Kind regards,

Miss C Murray

Mathematics Key Stage 4 Coordinator
