## **RE: Success Task 3 – Past Paper Questions**

Dear Year 11 Parents and Carers,

Our Year 11 students are now on their third Success Assembly focusing on how to maximise use of Past Paper Questions. You can access a Parent/Carer-friendly version of the assembly [HERE](#), this week delivered by Miss Lowe. Details of the Success Task are outlined below; this has also been explained to all students and set on SatchelOne. Many thanks for your ongoing support in ensuring your son/daughter completes this tasks.

### **Instructions - Students should:**

1. Students have been supplied with a selection of Past Paper Questions. These focus on the Science subjects and have been selected by subject leaders of the topics students find most challenging.
2. They should complete the questions as best they can from memory on one colour pen.
3. Students should then use their notes/revision guides to re-attempt any parts of the questions they were unsure of or couldn't remember in a second colour pen.
4. Finally, students should use the mark scheme on SatchelOne to make final corrections to their work and to highlight which parts of the topic need further revision.

Students are expected to bring their fully completed pack of questions into form on Monday 29<sup>th</sup> January.

As always, many thanks for your support.

Mr T Kennedy-Fowler  
Deputy Headteacher
