Dear Parents/Carers

## **Additional Revision Classes for Year 11**

As you will be aware from the letter in your parents evening pack, a large number of revision classes have been running for some time and further sessions are about to commence. In addition to these a number of subjects are offering revision sessions during the course of the Easter holidays and the timetable of events can be found on the attached document.

Also included in this email is details of the Maths and English Booster Day which takes place on the INSET day on 14<sup>th</sup> April 2020; I hope that all Year 11 will be available to attend this day.

I have been most impressed by the number of pupils who have already attended a wide range of revision sessions and hope that they continue to take advantage of this in the coming weeks and months. I would like to take this opportunity to thank you for your on-going support for your child and the school and wish all of our pupils every success in their GCSE examinations.

Yours sincerely

J Smith  
Head of Year 11
