October 2019

Dear Parent/Carer,

Your child has been attending supervised IDL Cloud Literacy intervention in the LRC on Friday Mornings this past month. The purpose of these sessions was to ensure he/she is competent in how to use the programme and aid them to make good progress once they are familiar with their login and the format of the intervention.

Next half term I am expecting all students to use their own time to complete a minimum of 10 lessons per week instead of attending the Friday morning sessions. This equates to 5 minutes per day or 30-35 minutes weekly and will allow the pupil to reach the re-test benchmark of 100 lessons. We will then be able to inform you of the progress they have made and consider further intervention if necessary.

I hope that we have your support on this matter. If any pupil does not complete the ten lesson quota they will be required to attend a Friday Afternoon IDL Session at 14.50 in the LRC. Lessons that have been missed will need to be completed in school before they go home for the weekend.

Please note that when logging in to the programme it is best through Google Chrome. Each pupil's login is their full name (all lower case) eg. joebloggs19@m415ug. Password: Literacy19. It is recommended that students use headphones so that they can hear the instructions orally.

Kind Regards,

Belinda Murray
