

## CONSENT for RECORDING IMAGES OF YOUNG PEOPLE

We would like to record videos of young people speaking their poems, in order to provide an example to other schools of how to create their video competition entries. The videos will be used in a password protected area of the Poetry By Heart website [www.poetrybyheart.org.uk](http://www.poetrybyheart.org.uk) that can only be seen by Poetry By Heart staff and competition judges, and teachers entering their own students for the competition. We will also use still images from the videos in our printed guide for teachers. We will only use the images/videos for 12 months.
