Year 11 re-sit exam : Geography

Dear Parent

In order to best support your son / daughter, following their under-achievement in the November Geography mock exam, they will have a re-sit examination.

Students will sit this examination in the hall the week after half term, some have been identified by Ms Smith (Head of Year 11) as requiring intervention from a number of different subjects and if that is your son / daughter you should already know about those extended plans.

I am contacting you because **your son / daughter will sit a Geography examination after school** on Wednesday February 19th. The exam is approximately an hour long, as such they should be finished at around 4.30pm. The exam will take place in the main hall and students should be ready to start at 3.30pm.

Topics being tested are as follows : Distinctive landscapes, UK in 21st Century, Climate change and Hazards. They will not be tested on Ecosystems and Urban Futures.

Students who under performed in the November examination should now be attending the Monday lunch time drop in sessions every week, doing structured revision and testing themselves with timed exam questions.

Yours sincerely

C Bramwell
